

Westerly Fire District

Schedule of Inspection & Permit Fees

The fees associated with plan review and permits must be paid prior to the issuance of any permits.

INSPECTIONS: The fees for inspection and permits shall be as noted below. All fees for inspections and permits are due at the time of the inspection.

Commercial: All commercial occupancies are subject to inspection at the rate of \$75.00. The occupancy will have up to 30 days to comply.

Residential: All residential smoke/carbon monoxide inspection for resale will be \$30.00. Reinspections are at the rate of \$60.00 for the first one and then \$90.00 for each subsequent reinspection.

Underground Tank: Any tank being installed or removed from ground shall be subject to inspection. The fee for the inspection is \$50.00.

Plan Review: Any person or firm submitting plans or other documents in connection with a building permit for review by the AHJ shall pay the plan review fees as noted below. The fee shall be based on construction costs. The AHJ may have the contractor submit the plans to a third party for review.

Commercial:Cost of Construction:Required Fee:

\$500.00 or less	\$25
Over \$500 but not over \$1,000	\$35
Over \$1,000 but not over \$2,000	\$45
Over \$2,000 but not over \$500,000	\$45 plus \$6 per \$1,000 or fraction thereof over \$2,000
Over \$500,000	\$3,033 plus \$4 per \$1,000 or fraction thereof over \$500,000

Residential: Includes plan review, one rough inspection, and a final inspection. The fee for this service is \$50.00
