

WESTERLY FIRE DEPARTMENT

7 UNION STREET

WESTERLY, RI 02891

401-596-0402

The local fire authority that performs smoke and carbon monoxide detector inspections in residential occupancies shall, at the time of the inspection, be allowed to charge a thirty dollar (\$30.00) inspection fee. A sixty dollar (\$60.00) fee will be charged for the first reinspection and a ninety dollar (\$90.00) fee will be charged for all subsequent inspections of the same residential property for improper installation, wrong location, or the seller's failure to maintain the agreed upon appointment.

For questions regarding commercial and residential inspections and plan reviews please call Matt Johns at 401-348-9835. Plans can be dropped off at WFD, Station One, 7 Union Street M-F 8-3. Please be certain that property is located within the Westerly Fire District.

Keep in Mind:

- Residential inspections are scheduled for Tuesday and Friday mornings by calling 401-596-0402 X 3.
- Inspectors will not enter property to conduct inspection without a property owner or representative present.
- Monitored alarm systems, a company representative needs to be present during the inspection. This pertains to combination burglar & fire alarm systems.
- House number must be prominently displayed per Town of Westerly ordinance.
- Plug-in carbon monoxide detectors are no longer acceptable.
- Smoke detectors over 10 years old must be replaced, and carbon monoxide detectors over 7 years old must be replaced.
- Certificates are good for 120 days from the date of the inspection.
